Dear Bill,

I had a talk with Carl Levin today and learned about the hearings and report of your Committee with respect to the Office of Government Ethics. I arranged the meeting with Levin and I want to bring you up to date with the information I provided him. It is enclosed.

I thought it was a constructive talk with good understanding on both sides and I will be ready to discuss it with you any time you would like to do so.

With best regards.

Yours,

*WJ Casey*
